RE: Circular 2025 - 43: Izimbali Players Association

It was unanimously agreed at the recent meeting to re-introduce the Players association, which will have the following benefits:

- An organised committee focussed on Fund raising
- Concern for Players Welfare and needs
- Event planning
- Social functions
- Izimbali membership for all present and past district players
- Responsible for Academy arrangements
- Izimbali memorabilia

In order to get the association off the ground, interested players that wish to be part of the interim committee are to please complete and return the attached nomination form by no later than 31 May 2025.

Ideally the committee should comprise both men and women and represent the Veterans, Open, B side and Juniors.

Growing the Sport of Bowls for generations to come.
