

21 October 2025

To All Club Secretaries and Presidents

RE: Circular 2026 – 10: Izimbali Fundraiser – 26 October 2025

The organizing committee have requested that all players that have been included in the squads for District Selection, make every attempt to enter a side this coming Sunday.

Entry fee is R200 per player which includes lunch.

There will be a spider at the start of play at both venues (subject to sufficient entries for both venues, Edenvale and Kempton Park).

A liquor Hamper raffle is planned and this time around, the committee are asking each club to provide a liquor bottle or beers from their bar stock, in support.

This is the only Izimbali Bowls Day fund raiser prior to the Inter-Districts, and regrettably the changed calendar, has left little time to do all the necessary planning, required for such an event.

We acknowledge that some clubs may have already previously planned club activities for that date, but we would appreciate a concerted effort being made to accommodate this important fund raiser.

Players who have not yet applied for membership at R100 per year are asked to please contact either vice@ekurhulenibowls.co.za or academy@ekurhulenibowls.co.za for membership forms.

Knowing the bowlers in this district, we are confident that we will receive your support.

NB. Closing date for entries will be Thursday at 6pm to allow for Catering needs and club allocation.

Gerald May

Vice President and Chairperson Izimbali Players Association
